Dear Parents and Carers,

Thank you for enabling your children to have such a successful start to the new school year. We recognise that times are not easy at the moment. I have to stop and wonder if there are some people in our school community who feel that they have no one to turn to as life gets tougher. Help is at hand!

Mrs Moon is offering a safe space where you can in confidence talk openly without judgment, about anything that is worrying you. Any query, large or small that you may require assistance with, she is here to help. Mrs Moon has excellent communication skills and previous experience working with families and carers. She can provide a 'listening ear' if you ever need advice and support at any time. So please do not hesitate to contact her via email, in person or by phone. She may just be able to signpost you to the help you are looking for.

Kind regards

Mrs J Underwood
